

# À fleur de printemps

Ombre 	Mi-ombre 	Soleil 
<i>Actaea pachypoda</i> 	<i>Anemone canadensis</i>	<i>Adonis vernalis</i> 
<i>Actaea pachypoda rubrocarpa</i> 	<i>Anemone nemorosa</i> 'Vestal'	<i>Alyssum montanum</i> 
<i>Actaea rubra</i> 	<i>Aquilegia canadensis</i>	<i>Arabis caucasica</i> 
<i>Ajuga reptans</i> 'Chocolate Chip' ●	<i>A. vulgaris</i> 'Clementine Blue'	<i>A. caucasica</i> 'Little Treasure Rose' 
<i>Ajuga reptans</i> 'Atropurpurea' ●	<i>A. vulgaris</i> 'Clementine Dark Purple'	<i>A. caucasica</i> 'Flore Plena' 
<i>Ajuga reptans</i> 'Black Scallop' ●	<i>A. vulgaris</i> 'Clementine Salmon Rose'	<i>A. caucasica</i> 'Little Treasure White' 
<i>Ajuga reptans</i> 'Burgundy Glow' ●	<i>A. vulgaris</i> 'Winky Rose and Rose'	<i>Arabis caucasica</i> 'Pinky' 
<i>Ajuga reptans</i> 'Catlin's Giant' ●	<i>A. vulgaris</i> 'Origami Red & White'	<i>Arabis caucasica</i> 'Variegata' 
<i>Ajuga reptans</i> 'Golden Glow' ●	<i>A. vulgaris</i> 'Origami Rose & White'	<i>Arenaria montana</i> 
<i>Ajuga reptans</i> 'Toffee Chip' ●	<i>A. vulgaris</i> 'Origami White'	<i>Armeria maritima</i> 
<i>Ajuga reptans</i> 'Bronze Beauty' ●	<i>A. vulgaris</i> 'Origami Yellow'	<i>Armeria maritima alba</i> 
<i>Ajuga reptans</i> 'Pink Lightning' ●	<i>A. vulgaris</i> 'Swan Blue & White'	<i>Aubrieta</i> 
<i>Alchemilla mollis</i> 	<i>A. vulgaris</i> 'Swan Pink & Yellow'	<i>Cerastium tomentosum</i> 
<i>Anemonella thalictroides</i>	<i>A. vulgaris</i> 'Winky Double Red-White'	<i>Doronicum orientale</i>
<i>A. thalictroides</i> 'Oscar Shoaf'	<i>A. vulg</i> 'Winky Db. Dark Blue & White'	<i>Doronicum orientale</i> 'Finesse'
<i>Arisaema candidissimum</i>	<i>A. vulgaris</i> 'Winky Double White'	<i>Doronicum orientale</i> 'Little Leo'
<i>Arisaema triphyllum</i>	<i>Bergenia</i> 'Lunar Glow' 	<i>Euphorbia polychroma</i> 
<i>Clintonia borealis</i> 	<i>Bergenia</i> 'Pink Dragonfly' 	<i>Iberis</i> 'Absolutely Amethyst' 
<i>Convallaria majalis</i> ●	<i>Bergenia</i> 'Tubby Andrews' 	<i>Iberis sempervirens</i> 
<i>Convallaria majalis</i> 'Variegata' ●	<i>Brunnera</i> 'Jack Frost'	<i>Lewisia cotyledon</i> 
<i>Cornus canadensis</i>	<i>Brunnera macrophylla</i>	<i>Phlox subulata</i> 'White Delight' 
<i>Epimedium grandiflorum</i> 'Irene' ● 	<i>Brunnera macrophylla</i> 'Emerald Mist'	<i>Phlox subulata</i> 'Candy Stripes' 
<i>Epimedium grandiflorum</i> 'Lilafee' ● 	<i>Brunnera macrophylla</i> 'Looking Glass'	<i>Phlox subulata</i> 'Emerald Blue' 
<i>E. perralchicum</i> 'Frohnleiten' ● 	<i>Brunnera macrophylla</i> 'Mr. Morse'	<i>Phlox subulata</i> 'Emerald Pink' 
<i>Epimedium</i> 'Pink Elf' ● 	<i>Brunnera macrophylla</i> 'Variegata'	<i>Phlox subulata</i> 'Red Wings' 
<i>E. pubigerum</i> 'Orangekonigin' ● 	<i>Brunnera macrophylla</i> 'Diane's Gold'	<i>Pulsatilla vulgaris</i> 
<i>Epimedium rubrum</i> ● 	<i>Brunnera macrophylla</i> 'King's Ransom'	<i>Pulsatilla vulgaris alba</i> 
<i>Epimedium</i> 'Tama No Gempei' ● 	<i>Brunnera macrophylla</i> 'Silver Wings'	<i>Pulsatilla vulgaris rubra</i> 
<i>Epimedium versicolor</i> 'Sulphureum' ● 	<i>Caltha palustris</i>  	<i>Saxifraga x arendsii</i> "Purple Robe" 
<i>Epimedium youngianum</i> 'Niveum' ● 	<i>Cardamine trifolia</i>	
<i>Erythronium americanum</i> ●	<i>Cardamine waldsteinii</i> 	
<i>Erythronium</i> 'White Beauty' ●	<i>Corydalis elata</i>	
<i>Hepatica acutiloba</i>	<i>Corydalis lutea</i>	
<i>Hepatica nobilis</i> 'Rubra Plena'	<i>Corydalis solida</i>	
<i>Hepatica transylvanica</i>	<i>Corydalis solida</i> 'George Baker'	
<i>Iris cristata</i> 	<i>Cypripedium acaule</i>	
<i>Lamium galeobdolon</i> 'Herman's Pride' 	<i>Cypripedium parviflorum</i> v. <i>pubescens</i>	
<i>Lamium maculatum</i> 'Beacon Silver' 	<i>Cypripedium reginae</i>	
<i>L. maculatum</i> 'Golden Anniversary' 	<i>Dicentra</i> 'Burning Hearts'	
<i>L. maculatum</i> 'Lemon Frost' 	<i>Dicentra</i> 'Candy Hearts'	
<i>L. maculatum</i> 'Pink Pewter' 	<i>Dicentra formosa</i> 'Luxuriant'	
<i>L. maculatum</i> 'White Nancy' 	<i>Dicentra formosa</i> 'Aurora'	
<i>Mertensia virginica</i> 	<i>Dicentra</i> 'Ivory Hearts'	
<i>Myosotis sylvatica</i>	<i>Dicentra</i> 'King of Hearts'	
<i>Podophyllum hexandrum</i> 	<i>Dicentra spectabilis</i>	
<i>Podophyllum pleianthum</i> 	<i>Dicentra spectabilis alba</i> 	
<i>Polygonatum hybridum</i> 'Striatum' ● 	<i>Dicentra spectabilis</i> 'Gold Heart' 	
<i>Polygonatum odoratum</i> 'Variegatum' ● 	<i>Dicentra spectabilis</i> 'Valentine' 	
<i>Sanguinaria canadensis</i>	<i>Dodecatheon meadia</i> 	

# À fleur de printemps

Ombre 	Mi-ombre 	Soleil 
<i>Sanguinaria canadensis</i> 'Multiplex'	<i>Glaucidium palmatum</i>	
<i>Trillium erectum</i>	<i>Glaucidium palmatum leucanthum</i>	
<i>Trillium grandiflorum</i>	<i>Helleborus</i> 'Amber Gem' 	
<i>Trillium luteum</i>	<i>Helleborus</i> 'Berry Swirls' 	
<i>Trillium sessile</i>	<i>Helleborus</i> 'Cinnamon Snow' 	
<i>Uvularia grandiflora</i> ● 	<i>Helleborus</i> 'Harlequin Gem' 	
<i>Vinca minor</i> ● 	<i>Helleborus</i> 'Jade Tiger' 	
<i>Vinca minor</i> 'Atropurpurea' ● 	<i>Helleborus niger</i> 	
<i>Vinca minor</i> 'Illumination' ● 	<i>Helleborus</i> 'Onyx Odyssey' 	
<i>Vinca minor</i> 'Ralph Shugert' ● 	<i>Helleborus</i> 'Peppermint Ice' 	
<i>Viola cornuta</i> 'Rebecca' 	<i>Helleborus purpurescens</i> 	
<i>Viola</i> 'Dancing Gheisha'	<i>Helleborus</i> 'Rose Quartz' 	
<i>Viola pubescens</i>	<i>Lamium orvola</i> 	
<i>Viola tricolor</i>	<i>Lathyrus vernus</i>  	
	<i>Lathyrus vernus</i> 'Flaccidus'  	
	<i>Phlox divaricata</i> 'Blue perfume' 	
	<i>Polemonium caeruleum</i>	
	<i>P. caeruleum</i> 'Snow and Sapphires'	
	<i>P. reptans</i> 'Stairway to Heaven'	
	Primevères candelabra 	
	Primevères des jardins	
	<i>Primula veris</i>	
	<i>Primula veris</i> 'Sunset Shades'	
	<i>Primula vialii</i> 	
	<i>Pulmonaria</i> 'David Ward' 	
	<i>Pulmonaria</i> 'Excalibur' 	
	<i>Pulmonaria longifolia</i> 	
	<i>Pulmonaria</i> 'Majesty' 	
	<i>Pulmonaria saccharata</i> 'Mrs Moon' 	
	<i>Saruma henryi</i> 	
	<i>Stylophorum diphyllum</i> 	

Moins de 4 h de soleil direct.

Nécessite un soleil direct tôt en saison.

Préfère les sols humides.

Entre 4 et 6 h de soleil direct.

Tolère la sécheresse une fois établi.

Plus de 6 h de soleil direct.

Tolère l'ombre dense.

Les données du tableau précédent ne sont pas absolues. Par exemple certains végétaux toléreront bien l'ombre dense à condition de se trouver en plein soleil tôt en saison. De la même manière, certaines plantes tolérant la sécheresse à l'ombre demanderont davantage d'humidité au soleil. Soyez attentifs aux spécifications relatives à chaque plante présentée lors de la conférence.
